Become a part of the

**AAAS-LEMELSON Invention Ambassadors Program**

**APPLICATIONS DUE APRIL 28, 2014**

www.aaas.org/invention

---

Invention Ambassadors will strive to cultivate a new and diverse generation of inventors; increasing global understanding of the role of invention in improving our quality of life, creating new products and building new businesses, and showcasing the importance of inventors and invention education.

For more information and to apply, visit: www.aaas.org/invention

*Nominations welcome*
